

Go to the **Checker** tab

This utilizes your current Canvas session to scan student submissions.

When you are ready **click Start**.

Note: The application only has access to the information visible to you on Canvas. If you do not have access to a specific campus, you cannot view the submissions from students associated with that campus.

You can click the scan filter button to modify the group of students that the application scans.

The application will continuously loop through each student to check for submissions dated today.

If an excel online instance is detected, it will attempt to send a signal to auto highlight on your LDA sheet.

Green - Student's row successfully highlighted

Gray - Waiting for Excel to highlight the student's row

Orange - Error, could not auto-highlight student's row

You can click on the student's name to automatically open their Canvas grade book. Also, you will see a timestamp of the submission

The screenshot shows the 'Student Retention Kit' interface. At the top, the title 'Student Retention Kit' is in bold black text, with 'VERSION 16.0' in blue text below it. A light blue button with a checkmark icon and the text 'Checker' is on the left, and a green button with the number '3' is next to it. To the right is a 'Call' button with a telephone icon. Below these is a red button with a square icon and the text 'Stop', followed by a green dot and the text 'Monitoring...'. A search bar with the placeholder text 'Filter found submissions...' is below that. A blue button with a circular arrow icon and the text 'Resend Highlight Ping' is overlaid on the interface. At the bottom, a green vertical bar is next to the text 'Pretest 1.0'.

The screenshot displays the 'Student Retention Kit' application, version 16.0. The interface is divided into several sections:

- Header:** 'Student Retention Kit' and 'VERSION 16.0' on the left, and a settings gear icon on the right.
- Navigation Bar:** Contains 'Checker' (with a green badge showing '3'), 'Call', and 'Data'.
- Buttons:** A red 'Stop' button and a green 'Monitoring...' button are visible. A red circle highlights the 'Monitoring...' button.
- Filter:** A 'Scan Filter' button with a dropdown arrow.
- Submissions List:** A list of items with progress bars and timestamps:
 - 2.1 Discussion Forum (11:57 AM)
 - Pretest 1.0 (11:42 AM)
 - 1.3 Assignment (11:19 AM)
 - 2.1 Discussion Forum (11:57 AM)
 - Pretest 1.0 (11:42 AM)
 - 1.3 Assignment (11:19 AM)
- Console:** A section at the bottom titled 'Console' showing a log of messages from a 'LOOPER' process, all indicating 'Checking' status for various items.
